18. Motion to adjourn the meetings

IT WAS MOVED SECONDED THAT Be it resolved by a simple majority vote that the meetings be adjourned AT 8:16 P.M.
UPON VOTE THE MOTION CARRIED As determined by the Chair.

Annual Report from SPHOA Council for the 2016 AGM

We are pleased to report that this year was very productive. Many policies were adopted, new contracts initiated, transition from Carrington planned, successful town halls held, including a special address by Chief Louie and all the while coming in under budget.

The Carrington Road Holdings development is complete and by the end of this meeting we will be a stand-alone organization governed totally by homeowners. Rykon will continue with the site cleanup and their warranty responsibilities.

Sonoma Pines has operated much like a small community with the various volunteer committees being instrumental in helping with management and policy development.

This report is a snapshot of the highlights over the year as provided by each of the committees:

- An Administrative Committee was established to help develop our operational procedures. It was instrumental in creating the job description and hiring of our Community Services Coordinator.
- The Clubhouse continues to be well used by homeowners. The Clubhouse Committee has coordinated a number of donations of both equipment and services around the facility including the games room, gym and library.
- A monthly newsletter produced by the Communications Committee has been very well received by homeowners and showcases much of what our community has to offer. The committee members continue to improve the Sonoma Pines web site, now incorporating most of our operational documentation including meeting minutes, calendars, etc. This year the first community survey was successfully completed and demonstrated how this tool could be used in the future to assist in planning. Facebook was also added as another tool to help keep homeowners informed.
- Council approved a number of key recommendations from the Finance Committee including a CRF investment policy to ladder the maturity dates of our funds to match the recommendations of our recently completed depreciation report. This committee continues to review all our operational contracts as they come due and is our financial watchdog. The Finance Committee also implemented a zero based budget process used by all committees in the development of this year's budget.
- Irrigation & Landscaping Committees completed an RFP to select Asahi as our landscape contractor, much to the overall delight of most homeowners. Tree management which has been neglected to date was initiated with a focus on priority pruning, removal & replacement. Again this year volunteers planted the entrance oval garden which continues to be a beautiful accent to our entrance.

- The Maintenance Committee developed a 20 year maintenance plan for all aspects of our community which complements the depreciation report. Work is being phased in on painting, inspections, etc. based on sequencing through the older portions of our community. Wood accent colours have been determined through the online survey and work will start on this soon. An alteration request process with clear guidelines and standards was implemented.
- The Safety & Security Committee recommended a number of changes to address traffic safety along Sonoma Pines Drive. Although this committee has been active with officials on a number of incidents in our community, the RCMP advised that Sonoma Pines continues to be one of the safer neighbourhoods in the area.
- The Social Committee continues to be the heart of the community and all the events seem to be growing. Over \$8,000 generated by the Social Committee was used for clubhouse improvements.
- The Welcoming Committee was also new last year and provided information packages to new homeowners. This has been very well received. This committee is also active in volunteer recruitment across all our committees.

The key activity this year was positioning Sonoma Pines for transition as the development was nearing completion. Many discussions and negotiations with Carrington and our lawyer have resulted in the AGM package before you today.

We, as Council are confident a new single organization will provide opportunities for more involvement, operating efficiencies and simply better management practices.

Council would like to express its appreciation for the contribution of the many hours from the 90 plus volunteers that have made Sonoma Pines one of the most desirable housing complexes in the Okanagan Valley.

As the retiring President of the Sonoma Pines Home Owners Association, I would like to say I was proud to work with this Council. My fellow Councillors Charlie Milazzo, John Scott, Tom McEwen, Jo Luchka, Sandi Bellamy and Bryon Dickie were all strong contributors to our success. I believe Sonoma Pines is a little better off because of their commitment.

In closing I would like to remind homeowners that the investment we made in our Sonoma Pines homes requires we focus on prevention before we are forced into the higher cost of restoration. As a community of friends and neighbours, we need to look out for each other and report anything that looks suspicious. Most of us have chosen to live here because of the lifestyle. With more residents now living in Sonoma Pines, there continue to be more recreational endeavours and more choices for all of us to enjoy.

Sonoma Pines Homeowners Management Ltd
APPROVED Operating Budget for fiscal period 1 April 2016 to 31 March 2017

Sonoma Pines Homeowner Management Ltd

Maintenance Fees

The schedule that follows shows the fees that resulted from the approved operating budget.

As the operating budget pertains to the fiscal period that started on the 1st of April 2016, the approved fees are retroactive to that date.

As APM requires 10 business days to change PAP amounts, the retroactive portion will be collected on the 1st of July. For the months of April, May and June, the previous fees will be drawn from your bank. The new fee along with the retroactive portion for those three months will be taken on the 1st of July 2016. For the rest of the fiscal period, only the new combined maintenance fees will be taken from your bank account.

To simplify the monthly accounting presentation to the Board, Multi Family residents will have the Multi Family fee posted, and then the Common fee posted. The combined amount will be taken from accounts by the PAP agreement

The Single Family residents will have the common fee posted, and then the landscaping fee posted. The combined amount will be taken from accounts by the PAP agreement.

If you have any questions, feel free to send an e-mail to Associated Property Management at the address as follows: sonomapines@associatedpdm.ca
